U.S. MILITARY ATTACHES

PRAGUE CTX RADIOTELETYPE IN ENGLISH TO EUROPE 1635 1/8 L

(TEXT) PRAGUE--AMONG THE BASE AND CONTEMPTIBLE METHODS USED BY LEADING
QUARTERS IN THE EISENHOWER ADMINISTRATION ARE THE ACTIVITIES OF U.S. MILITARY
ATTACHES WHO GET THEIR INSTRUCTIONS FROM THE CHIEFS OF U.S. ESPIONAGE ORGAN-
IZATIONS, WRITES RUDE PRAVO.

THE DOCUMENTS WHICH RUDE PRAVO PUBLISHED RECENTLY ON THE ACTIVITIES OF
U.S. MILITARY ATTACHES SHOW--EVEN IF THEY ARE INCOMPLETE--ONE OF THE MANY SIDES
OF THIS DISGUSTING AND PROVOCATIVE ACTIVITY OF AMERICAN GOVERNMENT AUTHORITIES
ABROAD.

THESE INSTRUCTIONS CONCERN ONLY THE "WORK" OF AMERICAN MILITARY ATTACHES
IN THE FIELD OF SO-CALLED SOCIAL CONTACTS. HOWEVER, EVEN THIS SECTOR IS USED
BY THE AMERICAN INTELLIGENCE SERVICE--THROUGH OFFICIAL REPRESENTATIVES OF THE
UNITED STATES ABROAD--FOR ACTIONS AGAINST THE SOVIET UNION AND THE OTHER
SOCIALIST COUNTRIES.

THE SUBVERSIVE ACTIVITY OF THE INTELLIGENCE SERVICE OF THE EISENHOWER
ADMINISTRATION COULD NOT OF COURSE CONTRIBUTE IN ANY WAY TO BETTER RELATIONS
BETWEEN THE UNITED STATES AND THE SOCIALIST COUNTRIES.

IF THE NEW AMERICAN PRESIDENT WISHED TO FULFILL HIS PROMISES AND CONTRIBUTE
TOWARD EASING INTERNATIONAL TENSION, HE WILL HAVE TO CHANGE THE STYLE OF
WORK OF HIS REPRESENTATIVE ABROAD ESPECIALLY IN THE SOCIALIST COUNTRIES.

THE FACT THAT ALLEN DULLES AND HIS ESPIONAGE APPARATUS HAS BEEN TAKEN
INTO THE SERVICES OF THE NEW ADMINISTRATION BY KENNEDY DOES NOT OFFER ANY
HOPE OF A CHANGE IN THE DIRECTIVES FOR PROVOKING UNREST AND PROVOCATIONS.
